record Direct Welcomes Two New Sales Managers on Board

News

12/14/2021

Chris Elson, Regional Sales Manger for Wales and the South West of England brings a wealth of experience and knowledge of the area having worked in as an Area and Regional Sales Manager in the Bathroom Industry over the past 20 years at The Bristan Group, Imperial Bathrooms and Bathroom Brands.

Lee Dolman, Regional Sales Manager for the North of England has experience and knowledge of the Construction Industry having worked at Lift, Facade and Automatic Door companies. Lee's roles included Regional and National Sales and Account Management, Technical And Regulation Support as well as Specification Sales and Project Management.

Both Chris and Lee's skills and sales acumen will help record Direct strengthen and support our customer base in their areas by offering the best possible service and developing long-lasting realationships with both existing and new customers.

Over the next few months, Chris and Lee will be contacting customers to introduce themselves directly,

Kevin McCann, National Sales Manager for record Direct commented " We are delighted that Chris and Lee have chosen to join our Supply Only Sales Team. Their experience and knowledge will be invaluable to building upon our customer base. I have complete confidence they will both provide our customers with a first class level of account management, service and support".
