We are delighted to welcome Danny Kemble, as our New Regional Account Manager for South Wales and South West England.

Danny, who joined Record Direct on 1st June, after taking over from Chris Elson, was previously the Field Operations Manager for Record UK. He brings a wealth of product and technical knowledge on Record Products which will help strengthen and support our customer base in the South West.

We'd like to congratulate Danny on his new role and wish Chris all the best for his new adventure.

Over the next month, Danny will be contacting customers in his area to introduce himself. However, should you wish to speak to him in the meantime he can be contacted on:
